A Message from the President

Dear Friends and Neighbors,

Happy New Year!! I just cannot believe it is the start of 2022. First, let me say I wish each of you a healthy, happy, and prosperous New Year. As we begin the new year be reminded of our Annual Meeting to be held January 18th in the clubhouse. You must have your 2022 dues paid by January 8th to be able to vote for this year's nominees for the HOA Board of Directors. If you have not paid your dues yet and you wish to, you can contact any board member and they will gladly pick up your \$15.00.

Ending the year, to me, it is important to thank my board members for all their support to me during this very trying year. Also, a time to reflect on all the obstacles we faced due to Covid. This past May the Board met trying to produce ways to open our activities while keeping all of you, our residents, safe but active. As you may recall, we distributed a letter to every mail tube outlining the many activities we had planned moving forward throughout the year, including the start of the Memorial Day Cookout, then July 4th cookout, Pool Party in August, the return of Bingo, Harvest/Halloween Dance in October, Medicare 101 Seminar, Community Yard Sale, and ending the year with the New Year's Eve Dance. Communication is a topic talked about by many, but we have tried to do everything we could to keep each of you informed. This Board has devoted time and energy into making this place we call home the greatest park to live.

Lastly, a huge thank you to you, the community, for allowing me the opportunity to serve as your President this past year. I regret that my health is forcing me to step aside but I know the new Board will continue to bring forward the support and love of this wonderful place we call home - Lake Hammock Village.

Again, thank you for your support and confidence. See you out and about.

Respectfully,
Jerry Sibila, President

PAINT CLASSES

Just a reminder - our paint classes are back in full swing. They will be held the first Wednesday of every month at the clubhouse from 1:00 - 3:00. We try to have just 2 people per table to help with some social distancing and masks are requested for those who have not received their vaccine. The price is the same, \$20 per person with all supplies and instructions provided by our instructor, Sherri.

I try to post a reminder a few days before the event in our Facebook page but realize not everyone has Facebook. If you want to attend it's helpful to let me or Shelly know - just so we make sure Sherri has enough supplies. But please come even if you forget to let us know. We usually always have room. Come join us for some fun and visiting.

FOOD BANK

2 Corinthians 9:6-8

Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver. And God is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work.

Your generosity since April 2021 has enabled LHV to donate 1,298 items to a local food bank! Thank you for your support. We will continue to bring all non-perishable foods and toiletries every first and third Friday of each month. Feel free to call if you need help bringing donations to the club house.

Have a merry Christmas and a blessed New Year,
Sharyl and Dave Graham

Thanks to our HOA Board!

The year 2021 was a difficult year for all of us here at LHV. As we begin the new year, I wanted to look back on some of the problems and challenges we faced during 2021 and how we were able to find our way through these challenges to be able to look ahead to the new year.

The COVID pandemic has hung over our heads like a black cloud. During 2021 we have seen the development of vaccines and boosters to help in our fight for survival. Living in an 'over 55' community, we were saddened to lose some of our friends and neighbors for different reasons. This is something we must live with day to day. Our thoughts and prayers go out to the families of those we have lost, and we are left with many happy memories. The COVID crisis caused many of us to isolate ourselves from the dangers of COVID. The usual social activities of our community were canceled or restricted to protect everyone. Just when it seemed that we were making progress, we now face new challenges due to variants of a COVID-Type virus. In some ways, due to our efforts and precautions in 2021, I believe we are better prepared to deal with this in the future.

During these trying times our HOA has been there for us. Though formal meetings were restricted for safety reasons, the Board continued to function in the best interests of all of us. During this time, Board Members fielded all types of inquiries, complaints, issues, and problems, some of which were beyond the scope of the HOA's responsibilities but related to LHV management. At all times Board Members were patient and did their best to provide information or suggestions.

Thanks to the hard work and dedication of these individuals we have come through the crisis without major issues. As time has gone on, the Board has continued to monitor the situation and has gradually brought back activities in a safe and caring way. We are so fortunate to have such a wonderful group working on our behalf on a day-to-day basis!

The terms of Board Members are usually set for a specific term. Given the circumstances, all the Board Members agreed to serve beyond their limited terms, a very kind and generous action by all!

I know I speak for many when I say 'THANK YOU' from the bottom of my heart to all of those who have been there throughout this difficult time. Thank you for everything you have done to keep us safe!

So, THANK YOU

President Jerry Sibila
Vice President Matt Rice
Secretary Gary Devore
Treasurer Richard Gould
Directors Terry Hofer, Joyce Middleton, and David Alms

Thanks also to the Committee Chairs, Terry Hofer, Carol Gould, Dona Rawson, and Joyce Middleton, and to those who keep us informed through the monthly newsletter 'Gator Tales,' specifically Editor Shelly Shaffer, Assistant Editor Joyce Middleton, and contributors Helen Hurr and Margaret Rice. During the COVID crisis, and before and after, we can always count on our monthly 'Gator Tales' to keep all of us informed!

Health & Vendor Fair Returning in March Stay Tuned for Details

March 23, 2022

Lee Rhoades
155 Glen Este Ct.
Resident since 2008
Full time resident since 2016

Lee was raised in Maryland and attended school until the 11th grade. His father worked for the Federal Government. When he received a promotion, the family relocated from DC to IL where Lee graduated.

Lee was drafted by the Air Force during the Vietnam Conflict at the age of 19. He was stationed in the United States for his entire service time. He served in Texas at the pilot training wing. Lee was a jet engine mechanic for the T-37's and T-38's. They would have 66-70 planes there at one time.

Lee and his wife Pat were married on October 17th, 1970, in Minooka, IL. They had one son, Jason who still lives in IL.

Lee was employed by Caterpillar Inc. Caterpillar is a manufacturer of construction and mining equipment. He started in an apprenticeship program with them in the electrical dept. While working Lee attended Juliet Jr College (the oldest Jr college in the USA). Caterpillar provided time and funds for his certifications and credits. In order to finish his degree Lee had to complete on his own time in the evening and weekends. Lee was employed there for 30 years, as an industrial Electrician and Machine repair.

Lee and Patricia also owned land in TN on the Kentucky Lake. They enjoyed TN for the fishing and quiet beauty. This home was their "get away". They sold the land when Pat got sick. Lee retired from Caterpillar to stay home and care for his wife.

When Lee and Pat purchased their home in 2008, they were "Snowbirds". They had chosen LHV because his sister, Karen Patelunas, and his mother Betty lived here. Lee was a devoted son and saw his mother everyday until she passed.

He made sure he gave her a kiss everyday. Unfortunately, Pat passed in 2009 one year after purchasing their home. He is so appreciative of the residents here who helped him through that terrible time. He had another major loss when his pet "Lucy" passed in 2020, again the community helped with the loss.

Lee enjoys being involved with the activities in the community. He will be seen playing shuffleboard and corn hole. Lee made and donated the scoring stands for corn hole.

He enjoys attending the monthly breakfast. Lee volunteers for many of the activities at the club house and can be seen riding his golf cart out to the lake and cruising the neighborhood. His exercise is riding his bike around LHV. He does visit the pool occasionally for water aerobics.

His hobbies include fishing and tinkering in "Lee's Playpen" (his workshop). Lee enjoys fixing things and many other projects. He likes to travel and will be going on his second "Viking Cruise". He is also planning on a trip the Keys in the near future.

Pete and Janice Howerton
125 Silver Crest Dr.
Residents since May 2019

Pete and Janice recently celebrated their 64th anniversary marrying in 1957. They married at 17 and 18 years of age. They have one son and one daughter: four grandchildren and four great grandchildren. They are very proud of their son and daughter and all the grandchildren. Their son and wife are moving to FL at Southern Dunes, soon. Pete and Janice can't wait for their arrival.

Pete worked for the IRS in Arlington, VA for 34 years. Starting as a clerk and worked his way to management. Pete attended graduate school and taught the federal attorneys about the IRS. When he retired, he supervised 250 employees.

Janice was also employed with the IRS, until they had children. They decided that Janice should stay home with the children and left employment.

Pete and Janice relocated from Arlington, VA and moved to Lake Hammock Village in 1995. They were one of the first residents and lived at #134. Both Pete and Janice worked at "Sea World" during that time. Janice worked at the candy shop and Pete worked in the Pizza area. They left when Busch's purchased "Sea World". When they lived here in 1995, Pete was the HOA president a couple of times, and both were very involved in the community.

Pete and Janice took in a neglected teenager, Francisco at the age 16; he had been abandoned by his mother and father. The manager at the time would not allow them to live here with Francisco, so Pete and Janice moved to Southern Dunes.

They are happy to be back at Lake Hammock Village but note all the changes. When they lived here in 1995 the gate were "arms" that lifted up and down. Everyone knew each other and did all activities together. They reminisce about the wonderful friends they had at LHV. Silver Crest Drive was the original street. Reineke Rd. Was named after the original owner's son and Sargent St was named after the owner. Justin Dr. was named after a severely handicapped resident.

Since they returned to LHV in 2019, Francisco returned to live with Pete and Janice. He helps Pete and Janice with work around the house. Rosie their chihuahua completes their family.

Janice is anxious to get once again involved with the committees at LHV. She is willing to help wherever she can.

They are involved in their church, "New Horizon Church" in Haines City. Janice helps the "House Blessed" program and the food pantry. They are currently collecting toys for needy children.

Pete and Janice enjoy watching the NFL especially the "Tampa Bay Buccaneers". Pete is unable to get out much and he enjoys television. Janice enjoys ceramics and attends class twice a week in Haines City.

They invite residents to stop by anytime for a visit!

In the Know

Norman Rockwell

Born in New York City in 1894, Norman Rockwell always wanted to be an artist. At age 14, Rockwell enrolled in art classes at The New York School of Art (formerly The Chase School of Art). Two years later, in 1910, he left high school to study art at The National Academy of Design. He soon transferred to The Art Students League, where he studied with Thomas Fogarty and George Bridgman. Fogarty's instruction in illustration prepared Rockwell for his first commercial commissions. From Bridgman, Rockwell learned the technical skills on which he relied throughout his long career.

Rockwell found success early. He painted his first commission of four Christmas cards before his sixteenth birthday. While still in his teens, he was hired as art director of Boys' Life, the official publication of the Boy Scouts of America, and began a successful freelance career illustrating a variety of young people's publications.

At age 21, Rockwell's family moved to New Rochelle, New York, a community whose residents included such famous illustrators as J.C. and Frank Leyendecker and Howard Chandler Christy. There, Rockwell set up a studio with the cartoonist Clyde Forsythe and produced work for such magazines as Life, Literary Digest, and Country Gentleman. In 1916, the 22-year-old Rockwell painted his first cover for The Saturday Evening Post, the magazine considered by Rockwell to be the "greatest show window in America." Over the next 47 years, another 321 Rockwell covers would appear on the cover of the Post. Also in 1916, Rockwell married Irene O'Connor; they divorced in 1930.

The 1930s and 1940s are generally considered to be the most fruitful decades of Rockwell's career. In 1930 he married Mary Barstow, a schoolteacher, and the couple had three sons, Jarvis, Thomas, and Peter. The family moved to Arlington, Vermont, in 1939, and Rockwell's work began to reflect small-town American life.

In 1943, inspired by President Franklin Roosevelt's address to Congress, Rockwell painted the Four Freedoms paintings. They were reproduced in four consecutive issues of The Saturday Evening Post with essays by contemporary writers. Rockwell's interpretations of Freedom of Speech, Freedom to Worship, Freedom from Want, and Freedom from Fear proved to be enormously popular. The works toured the United States in an exhibition that was jointly sponsored by the Post and the U.S. Treasury Department and, through the sale of war bonds, raised more than \$130 million for the war effort.

In 1973, Rockwell established a trust to preserve his artistic legacy by placing his works in the custodianship of the Old Corner House Stockbridge Historical Society, later to become Norman Rockwell Museum at Stockbridge. The trust now forms the core of the Museum's permanent collections. In 1976, in failing health, Rockwell became concerned about the future of his studio. He arranged to have his studio and its contents added to the trust. In 1977, Rockwell received the nation's highest civilian honor, the Presidential Medal of Freedom. He died peacefully at his home in Stockbridge on November 8, 1978, at the age of 84.

MOTORCYCLE RIDERS

Greetings fellow motorcycle riders. I'm new to Lake Hammock Village but not new to the Central Florida area. Having lived in the area for the last 20 years and rode the roads of Highlands, Polk, Hardee, DeSoto, and Okeechobee Counties. I'm familiar with most of the area. However, I can still get lost. That's part of the fun of finding your way to a destination or back home. I don't ride the busy roads unless I have to. The backroads with less traffic is where I ride.

I'm looking for some like-minded riders who would like to take leisurely rides to a destination, have lunch, (no bar hopping) and then find our way back home via a different route than what we had come by (if that's possible). Speed will not be a factor as we will abide by all state traffic laws. We will ride in staggered formation with approximately 3 to 4 seconds following distance between bikes, high beam headlights on, so other drivers will see us. Everybody should arrive with a full tank of gas and an empty bladder. The rides will be about 2 hours to the destination and then after lunch about the same to return. We will try taking a break at about the one-hour mark (commonly referred to as a butt break). This allows people to stretch out and maybe a restroom break if needed. If gas is required during the ride, we will accommodate those riders.

We can meet at the clubhouse at a specific time and date. I would like to make this a weekly event with input from all participants, as to time and day of the week. Mondays and Thursdays are out for me, as I lead a group of riders from the Sebring area on those days (all riders welcome to this group also, but riding time is increased substantially).

All lady riders and co-riders are welcome, as well as your riding friends that may live outside the park. Whomever would like to lead a ride is welcome to do so.

You may reach me via text or phone at 863-202-5578, OR stop by 189 Glen Este Blvd. I will wait to hear from those interested and for your input as to the weekday and time of departure.
