## ARE YOU A CRAFTY PERSON?

We have several ways you can join others in our community who share the same passion. On Tuesdays at 9am in the cardroom we have our needlework group who like to crochet, knit, cross stitch, etc where we bring our own projects and set this time aside to work on our projects. If we are stuck the others in the group are willing to help. Come join us on any Tuesday!

On Tuesdays at 10am in the main clubhouse the Quilt Club meets. We not only work on quilts, we also do other sewing projects that the group picks. It is a wonderful group that enjoys going on field trips to quilt stores where we stop for lunch of course. Check it out!

We recently added crafts to the calendar. Karen Digirolamo has been leading a couple of crafts already and they were so much fun! We have a couple of dates in January selected. On January 10 at 10 am in the clubhouse we will gather to work on our own diamond art projects. If you purchased or received a diamond art project, come join us to work on them where we will have plenty of space and encouragement. We will schedule this several more times so if you can't make it on the 10<sup>th</sup>, there will be other opportunities. On Jan 31 at 10am we plan on doing a Valentine project. The 4 pictures below are our choices and we need to pick one. Please contact Karen at 716-490-5717. The one policy that we have is that if you sign up for a class that Karen is buying supplies, you are required to pay even if you don't show up.

Our annual Christmas Potluck was a huge success! We had almost 60 people attend and showed us what great cooks we have in our community. Thank you to Tim and Megan who provided the turkey and ham. I would like to send out a special thank you to Jean Richardson and her helpers Sue Kerschner and Marcia Mayer. In order to keep fist fights to a minimum, we had each table draw high card to win the centerpiece. I would also like to thank all the wonderful volunteers who helped set up, serve and clean up which helps make things run so smoothly. There were several people who were not able to get to the clubhouse so we were able to deliver meals to 5 households who were thankful for the lovely meal.

## GOLF CART PARADE - DECEMBER 22ND

What a fun night we had. We had 8 golf carts that participated in the judging and more than joined the parade. We went around the whole park twice and had many of you outside cheering us on! Thank you to our judges Ann & Gene Lewis and Cyndy & Tom Pearson who selected our top three winners.

1st prize – Linda Kelley; 2nd prize – Mike & Julie McLain & 3rd prize to Linda & Earl Bailie.

After the cart parade we all went to the clubhouse for hot chocolate and cookies. Thank to Jean Davis who made the hot chocolate and a lot of the cookies. She did a great job! We announced the winners of the golf cart parade & the house decorating.

The house decorating was judged earlier in the week by Blue Jay residents and they didn't know the residents and where they lived. They had a great time driving around looking at all the decorations. After several circles they picked the following winners and a couple of *honorable mentions to include 11045 Ewing & 38720 Bronco!*

**1st prize – 38745 Brahman Dr; 2nd prize – 38730 Bronco Dr; & 3rd prize – 11054 Ewing Dr.**

This year we gave each winner a sign to put in front of their house – both the house decorating & golf cart winners received cash prizes.

We hope you had a chance to drive around the park to see all the wonderful lights that our residents worked hard to bring the feeling of the season to our park! MERRY CHRISTMAS!
