A NOTE FROM HARRY

HOA ACTIVITIES

Things have been moving slowly so far this summer. The activities committee has been trying to have events that would help keep us having fun together this summer. However, the number of people participating in the planned events, activities and medical has been less than sparse, We know that many are away for extended periods of time and many are taking short trips so that cuts down on the number of residents available at any given time to participate. I think that the number of residents here has nothing to do with the number that show up for the activities, but I am not sure why more do not show up. I would like very much to hear from you as to why, and perhaps you could also offer suggestions as to what activities you would you like to have. You could leave your comments and ideas in the suggestion box by the poolside entrance to the clubhouse or contact Angie directly @ 813-600-7322.

Don't forget your suggestions for the statutory team are best taken care of before the new rent information is available on October 1, 2023. Only 30 days to try and resolve things after posted.
