## FROM THE PRESIDENT

Happy summer to everyone, hope everybody is well. Clubhouse is progressing and hopefully be done soon. As soon as the CDC lifts the gathering restrictions we can get back to having events. There will be no general meeting in June. A friendly reminder to all, please slow down driving in park, we have a lot of bikers and walkers. As always look out for your neighbors, it just might be you who needs the help someday.

Sincerely, Bruce

## MEMORIAL DAY COOKOUT

Join us at 4pm on Monday May 25th to celebrate all those who bravely served our country. Hot dogs and chips provided. Bring your favorite beverage and if you desire, a dish to share. ### IT GROWS ON YOU

Do you ever take a look at your houseplants and just feel "happier"? That's the idea behind a design trend that encourages bringing as much greenery into your home as possible. It's said that biophilic design— the practice of filling te home with plants and natural objects to connect with nature—can help inspire creativity, reduce stress and improve a sense of well-being. To introduce it into your home, you don't need a full living wall, just a few potted plants can help boost your bond with nature.

## GROUNDS FOR GRATITUDE

I cannot tell you anything that, in a few minutes, will tell you how to be rich. But I can tell you how to feel rich, which is far better, let me tell you firsthand, than being rich. Be grateful...it's the only reliable get-rich-quick scheme. (Ben Stein-Writer, TV Host)

Never let the things you want make you forget the things you have. (Sanchita Penday-Writer)

The miracle is this. The more you share, the more we have. (Leonard Nemoy-Actor)

Be thankful for what you have, you'll end up having more. If you concentrate on what you don't have, you will never, ever have enough. (Oprah Winfrey-TV Host)

Gratitude is the closet thing to beauty manifested in an emotion. (Mindy Kaling—Actor)

Grateful for long days. Grateful for aches and pains. Grateful for quick pad thai delivery. Grateful for hot baths. Grateful for early work calls tomorrow. Grateful for thumbs for typing this. Grateful for another day alive at the same time as you. (Lin-Manuel Miranda—composer)

GET WELL cards were sent to Phil Reed, Neomi Appenzeller, Doris Rutherford and Charlie Goodrow.

## NO FEEDING WILDLIFE

### The Easter Bunny

For many of us, Easter came and went like any other day. The days of coloring Easter eggs and hiding them in the yard among the flowers for our children and later in life our grandchildren to find, have long passed. Listening to their screams of “I found one”, of “there’s one” now seem so far away. We try to remember the many words that the children said, their happy shining faces of joy, an especially the joy it brought to us. An ordinary day turned into tears of joy for us through the thoughtful efforts of Bob Gainer. Our grandchildren happened to be with us this past Easter when the “Easter Bunny” arrived. Bob, you have out done yourself. The tears of joy you brought to our house will long be remembered.
