## Letting Go

- To let go doesn't mean to stop caring, it means I can't do it for someone else.
- To let go is not to cut myself off, it's the realization that I don't control another.
- To let go is not to enable, but to allow learning from natural consequences.
- To let go is to admit powerlessness, which means the outcome is not in my hands.
- To let go is not to try to change or blame another, I can only change myself.
- To let go is not to care for, but to care about.
- To let go is not to fix, but to be supportive.
- To let go is not to judge, but to allow another to be a human being.
- To let go is not to be in the middle arranging all the outcomes, but to allow others to affect their own outcomes.
- To let go is not to be protective, it is to permit another to face reality.
- To let go is not to deny but to accept.
- To let go is not to nag, scold, or argue, but to search out my own shortcomings and to correct them.
- To let go is not to adjust everything to my desires but to take each day as it comes and to cherish the many daily blessings.
- To let go is not to criticize and regulate anyone but to try to become the loving compassionate individual that God created me to be.
- To let go is not to regret the past but to grow and live for the future, which is eternity with our Lord.
- **To let go is to fear less and love more.**

Sometimes our well-meaning help can cause more harm than good, for both us and the other person. We must always remember that we don't get to see the entire picture of a situation. (Only God can see into the hearts of His created beings). Also, we may not be the person best equipped to help the individual that we are trying to help. Our biggest asset is our ears. However, we sometime get our mouth and ears confused. Presence and Silence can be our greatest gift to someone that's dealing with a stressful situation.

Two very good resources are: The Holy Bible, with a focus on the book of Proverbs, and another book titled: Are You Really Listening by Paul J. Donoghue, Ph.D. & Mary E. Siegel, Ph.D.

All Residents:

Again, we have an issue with pet owners not leashing their dogs and letting them run unattended.

We are tired of talking about this. Please keep your pets leashed and pick up after them.

2:00 to 5:00 in the clubhouse.... food, drinks and music

Our librarians work hard to provide us with a neat, orderly library consisting of books that span all genres. They try to weed out those that may not be of interest to the community as a whole and to provide a wide variety of reading pleasures for our residents. Lately, they have been overwhelmed with the number of books deposited haphazardly on the floor near the basket.

Our librarians have asked that if you have an overabundance of books to donate to please take them to either our local public library (where they will sell them at their book sales to raise funds) or to **Care Center Dundee Thrift Store**, (863) 439-6000, 29696 Hwy 27, Dundee, FL 33838.

**Hours:** Mon-Fri: 9:00am - 5:00 pm, Sat: 9:00am - 3:00pm, \*Closed at 11:30am on the 2nd & 4th Wednesday

Our librarians thank you for your generosity and look forward to serving our community.

# TRIXIE

By: Linda Casinover

Trixie, a primarily white 15-year-old Chihuahua/Jack Russell mix, was given a very appropriate name. It's associated with cheerfulness and adventures. Trixie is a bold and free-spirited girl's name of Latin origin. It could be originated from the Latin word *Beatus*, meaning 'bringer of joy', or 'she who brings happiness'.

When this reporter spoke to Trixie's humans, you could tell how much joy she brings to them and what makes her so easy to love.

Trixie came to her forever home after losing her prior owner through failing health. Trixie was known around LHV then and so loved by her humans that a request to adopt her was not given a second thought.

Trixie loves her squeak toys and chew bones, but most especially loves her golf cart rides. When she is alone with her human father, she loves to lay down in the back facing out. When she is with her human mother, she sits regally by her side. Her humans know exactly what to do for her based on the time of day. You could almost set your watch to her.

When her mother is outside, Trixie can be seen pacing and crying near the front door waiting for her return. Her human sister lives next door and gives her lots of attention, and even taught her how to shake. Although there frequently, Trixie can be seen at times moping around until she comes back to visit.

In a playful mood, Trixie will steal her father's sandal and run around with it to get his attention. The sandal probably weighs what she weighs.

Before her feline brother Sublime passed, they could be seen stalking each other with Sublime always being able to get away with no problem.

When Trixie wants to be alone, has misbehaved or doesn't feel well, she nestles down in her little red tent for a while. When she wants to be adventurous, she jumps up on the couch, from the couch to the stroller and from the stroller back to the floor to her bed where she fusses over getting her blankie in the right position.

Despite Trixie losing her first home and her feline brother, Trixie is still a happy little thing and extremely loyal to her human family. She is true to her name.

Trixie lives with her humans, Nancy and Andy Belski of 208 Glen Este Ct.

# Looking for LHV Cooks & Bakers

In this community we have many people who produce some really great dishes for our many events. So, we thought we could collect recipes to make a “Lake Hammock Village” Cookbook.

But not just a recipe book; it would be nice to have the “story” behind the recipe:

- Was it a holiday tradition?
- Was it passed down through generations?
- Was it your grandmother’s favorite recipe?
- Was it something you made for work?
- Was it for family gatherings?
- Or, maybe you just really liked this recipe and there is no story behind it, that’s OK!!

Categories will be: Appetizers, Entrees, Desserts, Salads, Soups and any miscellaneous dishes.

- You may submit more than one recipe – the more recipes the better our cookbook becomes.
- Make sure your name is on the recipe
- Photo copy the recipe if you want – with all the notes you want to add, or any comments in the margins.

The plan is to have a drop box at the clubhouse, or leave them with Joyce Middleton, 50 Sargent St., over the summer.

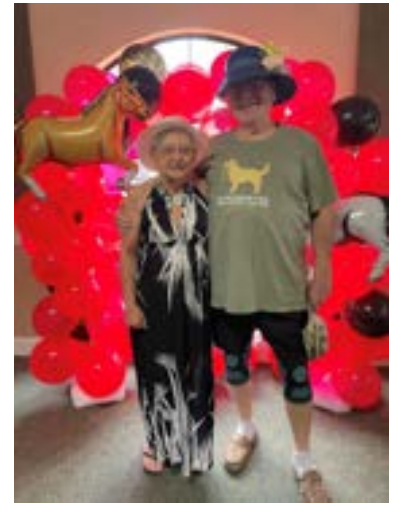

In October we’ll see how much interest there is and move forward with publishing. If you have any questions, reach out to either of us. Thanks and let’s have some fun with this.

## 2024 Haines City Academy Class

Two members of our community attended and graduated from the 2024 Haines City Academy Class.

Debbie Bialecki & Maureen Hatfield

The Citizens' Academy provides residents with the information, resources, and tools to become knowledgeable community members and effective neighborhood leaders. This is a hands-on multi-sensory experience. At the beginning of the program, participants will be known as Citizen Cadets. At the end of the 9-week program, participants should have an increased understanding of the organizational structure and operations of the various city departments that impact the quality of life in the City of Haines City. Graduates of the program will become ambassadors of the city –assisting with special events and advocating on the city's behalf. Because the intended outcome is for the participants to become ambassadors, we will be using the book *Spark: How to Lead Yourself & Others to Success*. Each participant will be required to attend 1 City Commission Meeting for the duration of the program to graduate.

Twenty participants will be required to attend all sessions and will only be allowed one excused workshop. The two-hour sessions are held weekly. For questions, please contact Merissa Green, program coordinator at 863-421-3600 ext. 5149 or email [merissa.green@hainescity.com](mailto:merissa.green@hainescity.com).

This is a free program to residents of Haines City thanks to our sponsors

## Lake Hammock Village Grandma's Attic

Our caretaker of Grandma's Attic, Barbara Pund, with the approval of our HOA board, recently donated our excess supplies to Lake Wales Care Center.

Donations included:

Four toilet risers

Three wheelchairs

Eight walkers

Three shower chairs

Four commodes

# Hurricane Season Begins:

## Time to Get Serious About Preparing!

by

Dave Graham

HOA Emergency Preparedness Team

June 2024 Gator Tales

Hurricane Season has arrived, bringing with it almost six months of hurricane danger! This is the reality of living in Florida, whether living here full time or as snowbirds.

In June there is usually limited weather activity, so this is a great time to start getting serious about preparing for what will be coming over the next six months. So, **Think ahead. Be prepared.**

### **Getting Started:**

As we stated last month, our Team is preparing for hurricane season. Team activities include:

- All residents will receive a comprehensive '**Hurricane Information Packet**' by the first week of June. The Team has put together most of the information you will need to be prepared. These packets will be delivered in person by one of our Zone Leaders. **Team members will carry ID's – lanyards with name tags.** So – if someone knocks at your door, ask to see their ID before talking with them. At the same time, the Zone Leader will be gathering information regarding whether you plan to stay here or leave when a hurricane is coming. This information is crucial to everyone – the Team and LHV because, **when a hurricane is coming, the Team and LHV management need to know who is here and who is not and who needs help. We are trying to gather as much information early this year to avoid last minute confusion. PLEASE COOPERATE WITH US. This is done in your best interests.**
- **Read the Materials!** The information you receive has been carefully chosen. Please look them over and think about what you would do if a hurricane is coming.
- If you have questions at any time about anything, contact someone – your Zone Leader or the Team Coordinator listed below.
- Due to lack of attendance and lack of interest, the Team has decided not to have another event in June. After discussing alternatives, the following **plan was suggested by Team Member Jerry Smith:**
- **During Hurricane Season a Hurricane Watch triggers a Special Team Meeting.** Residents will be invited to attend for information and questions. **YOU WILL NEED TO WATCH FOR THIS AS IT OFTEN COMES UP QUICKLY – BE AWARE. Watch for Facebook posts.**
- For your information: a **Hurricane Watch is issued when sustained winds of 74 mph or higher are POSSIBLE within the specified area of the Watch. Because hurricane preparedness activities become difficult once winds reach tropical storm force, the Watch is issued 48 hours in advance of the onset of tropical storm force winds.**
- **Generators:** The Team will have a list of residents who have offered to share generator use if there is a power outage. Some residents have medications which need refrigeration. Cell phones and devices can be recharged, etc. **Ask us for this information.**
- **Residents with Special Needs:** You may need special consideration if you are on oxygen, housebound, or have other conditions which limit your mobility. **There will be a summary of this in the info packets. Be sure to read this!** If you have questions or think this may apply, contact one of us. We can answer questions and have application forms and can enroll you.

- **Florida Sales Tax Holidays:** Two periods: **June 1 to June 14** & **August 24 to September 6**; hurricane related items are free of sales tax – good time to purchase expensive items or any needed supplies.
  
- Be sure to shop for nonperishable food, batteries, and other items now. Don't put it off. **Think ahead. Be prepared.**

### **HOA Emergency Preparedness Team Mission:**

# Sheriff Grady Corner

## The Risks and Rewards of Being a cop.

My entire adult life has been spent serving the people of Polk County by enforcing the law. It's all I ever wanted to do.

It's the same for a lot of people who work in law enforcement, they want to help others, they want to protect those who need protection, and lock up those who need to be locked up.

The job comes with risks, so it's not a job everyone is willing to do.

On Saturday, April 27, 2024, two deputies from Polk County Sheriff's office were shot by an anti-government extremist at a park in Lakeland.

Deputies had been patrolling the area due to recent burglaries and other crimes around the park. They found the man in a parked car in the middle of the night, while the park was closed. He was uncooperative with the deputies, first by refusing to identify himself, then by refusing to step out of the vehicle.

Suddenly, the man shot the two deputies standing by his window. Three of the deputies at the scene returned fire, and the suspect was killed.

One of the injured deputies was shot twice in his right arm, and the other deputy was shot in his left, but the bullet entered his chest cavity – narrowly missing his spine and heart.

Both deputies have been improving each day, and we thank God for that.

These deputies knew the risks of the job, but they still chose to go out and put themselves in dangerous situations each day. They do it, because they love what they do. They feel good about the difference they make by doing their job. It's a very special feeling to be able to better someone's life, or to help them in a time of need.

The people doing this job are sons and daughters, mothers, and fathers. They're ordinary people doing an extraordinary job, and I am proud to be their Sheriff.

# LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

***Call today for a FREE Under Home Inspection***

To our valued customers,

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety, but yours as well. We check workers temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

Wishing you good health and safety,  
The Florida Anchor & Barrier Team
