Message from the President.....

Recently, I have heard comments from some residents that “there is nothing to do here!” as well as, “this is not a friendly park!” So, I would like to address both comments. First, as to “there is nothing to do here!” I would suggest that all you need do, is check out the calendar that can be found in every issue of the “Gator Tales”! Our community offers everything from card games to dominoes and everything in between. We have 3 major dances throughout the year, normally with live music, and many other events designed to bring our community together. I would also like to point out that inside your “Notice of Annual Meeting” packet, was a questionnaire of what events or activities you would like to see. Of the 214 packets delivered, we only had 20 responses to this questionnaire. Therefore, if you are one of those making this comment, please let us know what you are looking for and we will make every attempt to see that it happens. In addition, HOA dues are a mere \$15/year which goes to support a variety of events, many which are offered free to our residents, yet out of 210 lots, we only have 101 that have paid their dues for 2023. In order for our community to be successful, it is necessary for everyone to participate, either through their dues or active participation.

As to the second comment, I believe that our residents make every effort to make friends with those who are new to the community. However, let me remind you that it takes effort on everybody’s part to express friendliness and kindness to each other, a goal we should all strive for. I understand that many residents are content with being left alone and not interacting with others, and that’s ok, but when you see someone wave or say, “Good Morning”, it doesn’t hurt to respond.

I would also like to give a big “Thank You!” to Jerry Smith for his generous donation of an AED machine to our community. The machine is located inside the clubhouse and you will also soon find a telephone in the box along with the AED. The phone is to be used only for “911” emergency calls. “Thank you”! also to the owners of our community for their generous donation to purchase new pads, the mounting box, new batteries, and the emergency telephone.

Finally, I would like to remind you that there will be no more Board Meetings or HOA General Membership Meetings until September 5th and 12th respectively. With that, have a wonderful and safe summer!

UPDATE: New pads for the AED Machine are currently on backorder and as such we will not place the machine until they are replaced. Thank You!

Now Is the Time! Start Preparing for Hurricane Season

by
HOA Emergency Preparedness Team
Article for the May 2023 edition of Gator Tales

Hurricane Season starts on June 1st. **However.....you don't have to wait till the season is here! In fact, the Team recommends that you start NOW.**

National Hurricane Preparedness Week is April 30 to May 6. See the NOAA Flyer on our Bulletin Board at the clubhouse. This refers you to the NOAA website where you can find lots of helpful information regarding hurricane preparedness and safety. Items such as batteries, peanut butter, tuna fish, and other non-perishable goods are plentiful now. However, as hurricane season begins, people start buying such items and supplies may not be easy to find.

The Polk County Emergency Operations Center recommends that you prepare a '**7 Day Emergency Kit**' in case electricity goes out by purchasing batteries, water, non-perishable items and other necessities. Again, now is the time to begin planning. Our Team members can guide you to more information about this.

The Team met on April 20th to discuss the upcoming hurricane season. The Team adopted the same 'Zone Plan' used in 2022. We are currently working on zone coverages and will have information in the near future.

We hope you will attend our **Hurricane Season Open House** on **Wednesday, June 1st from Noon to 4:00PM at the clubhouse.** (See Flyer in this issue) This is for everyone, whether you are a Snowbird or full-time resident. We hope you will come. Light refreshments will be available.

This is an opportunity to:

- * Listen to our speakers and enjoy our exhibits
- * Meet Team Members in an informal setting
- * Learn about the LHV HOA Hurricane Coverage Zones
- * Talk with the Zone Coordinator(s) for your area
- * Ask questions to Team Members
- * Learn about the resources available to all residents – written materials and other information
- * Learn about the Polk County Special Needs Program and how it may apply to you. If interested, Team Members can assist you in the registration process which just takes a few minutes
- * Learn how planning ahead and being prepared can maximize your safety in the event of a sudden storm
- * Learn about factors to consider in making a decision regarding evacuation – leaving before a hurricane hits – what to consider, etc.
- * Learn what other information may be available.

There is lots going on and we invite anyone interested to join our group. We thank the HOA Board for its support.

If you have any questions, need information or have ideas or concerns, you can contact Team Member or Dave Graham at (603) 915-1368 (phone or text), e-mail davemg1@outlook.com
