

ROUNDUP

MAY - 2023

Published for the residents of Southfork, Dade City, Florida

A NOTE FROM HARRY

I hope that everyone is appreciating the efforts of the Activities group doing their best to keep us all busy during the hot/rainy season. Let Angie know what you would be interested in doing while many of our Southfork residents are traveling. It is not necessary to belong to the HOA but there are still some openings if you are interested in joining. It is still ONLY \$20 for the whole year per household. You do not have to belong to help with the planned activities. The "dues" are used to fund the activities so it goes without saying that the more members we have the more funding there will be for the activities group to schedule things. We are still looking for people to help on the nominating committee and the Statutory committee. Please consider offering your time & talents. Traveling? Have a happy & safe trip. Staying? Keep your newsletter calendar handy so you can participate in activities around the park.

BINGO - Wednesdays

Doors open at 4:00 pm,
Bingo starts at 5:30

You can play all the games for as low as \$11.25. Daubers are available for \$1-\$1.50 to purchase. The more players, the higher the payouts. I want to thank all the players and volunteers for supporting Bingo

A NOTE FROM RON WHITE

MEDICAL EDUCATION SERIES:

On April 19th, Dr. Binu Jacob, a board certified cardiologist had a Heart-to-Heart Discussion with the group. He discussed the many ways we can help ourselves, diet appears to be the major factor. Heart disease is the number one cause of death in the United States. Many Questions were asked by the residents.

On May 24th - Stella Karkatselos, a board certified Nurse Practitioner will discuss acute and chronic disease management. her areas of focus include preventive medicine and woman's health, as well as acute and chronic management disease.

There is a sign-up sheet in the clubhouse until May 19th, lunch will be served at 12 noon.

I had asked the attendees at the April 19th session if we had One Blood (the Big Red Bus) come to the park - how many folks would or could be interested in donating blood. Well over 15 indicated they would be interested. I will speak to One Blood and discuss arrangements.

ACTIVITIES - A NOTE FROM ANGIE

May activities have been scheduled and we are busy planning! Please keep an eye out on Facebook and emails for updates on all events.

Our first event will be May 5th for Cinco de Mayo! Since it is on a Friday night, we will meet at the Pavilion starting at 6pm. Please bring your favorite beverage, it can be Mexican themed! If you want also bring a snack to share, I will bring chips and salsa to start things out. Unless things change with the burn ban, we won't be able to have a bonfire.

Mother's Day is on May 14th and we will do our annual ice cream sundaes for the women and men can buy the sundaes for \$3 starting at 2pm. We will have a sign-up sheet in the clubhouse.

For Memorial Day we are doing a picnic potluck at the Clubhouse. Starting at 4pm we will have food and a short program to commemorate Memorial Day.

Our regular events still include meeting at the firepit by the pavilion on Friday nights at 7pm.

Movie nights will be May 9 and 23th at 7pm in the clubhouse. We will continue movie nights through the summer unless the attendance gets too low.

We will continue to have events throughout the summer and would love to hear from you what you would like as activities. We are always open to do something new!
